THE JOURNAL PUBLISHING AGREEMENT

1. Assignment of copyright

I hereby assign to the Copyright Owner the copyright in the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the manuscript (the "Article"). This assignment of rights means that I have granted to the Copyright Owner the exclusive right to publish and reproduce the Article, or any part of the Article, in print, electronic and all other media (whether now known or later developed), in any form, in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication. This includes the right to enforce the rights granted hereunder against third parties.

2. Supplemental Materials

With respect to Supplemental Materials that I wish to make accessible either through a link in the Article or on a site or through a service of the Copyright Owner, the Copyright Owner shall be entitled to publish, post, reformat, index, archive, make available and link to such Supplemental Materials on a non-exclusive basis in all forms and media (whether now known or later developed), and to permit others to do so. "Supplemental Materials" shall mean additional materials that are not an intrinsic part of the Article, including but not limited to experimental data, e-components, encodings and software, and enhanced graphical, illustrative, video and audio material.

3. Reversion of rights

Articles may sometimes be accepted for publication but later rejected in the publication process, even in some cases after public posting in "Articles in Press" form, in which case all rights will revert to the author(s).

4. Revisions and addenda

I understand that no revisions, additional terms or addenda to this Journal Publishing Agreement can be accepted without the Copyright Owner's express written consent. I understand that this Journal Publishing Agreement supersedes any previous agreements I have entered into with the Copyright Owner in relation to the Article from the date hereof.

5. Author Rights for Scholarly Purposes (see 'Definitions' clause below)

I understand that I retain or am hereby granted (without the need to obtain further permission) the Author Rights (see description below and definitions), and that no rights in patents, trademarks or other intellectual property rights are transferred to the Copyright Owner.

The Author Rights include the right to use the Preprint, Accepted Manuscript and the Published Journal Article for Personal Use, Internal Institutional Use and for Scholarly Sharing.

6. Author Representations/Ethics and Disclosure/Sanctions

I affirm the Author Representations noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors, Ethics in Publishing policy, Declarations of Interest disclosure and information for authors from countries affected by sanctions. I am also aware of the publisher's policies with respect to retractions and withdrawal.

7. Author Representations

- ✓ The Article I have submitted to the journal for review is original, has been written by the stated authors and has not been previously published.
- ✓ The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- ✓ The Article and the Supplemental Materials do not infringe any copyright, violate any other intellectual property, privacy or other rights of any person or entity, or contain any libelous or other unlawful matter.
- ✓ I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials.
- ✓ Except as expressly set out in this Journal Publishing Agreement, the Article is not subject to any prior rights or licenses and, if my or any of my co-authors' institution has a policy that might restrict my ability to grant the rights required by this Journal Publishing Agreement (taking into account the Author Rights permitted hereunder, including Internal Institutional Use), a written waiver of that policy has been obtained.
- ✓ If I am using any personal details or images of research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information.
- ✓ Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- ✓ • If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this Journal Publishing Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

DEFINITIONS

Accepted Manuscript

The manuscript of an Article that has been accepted for publication and which typically includes author-incorporated changes suggested during submission, peer review, and editor-author communications. The Accepted Manuscript should not be added to or enhanced in any way to appear more like, or to substitute for, the Published Journal Article.

Commercial Use

The use or posting of Articles:

- ✓ for commercial gain – for example by associating advertising with the full-text of the Article, by providing hosting services to other repositories or to other organizations, or charging fees for document delivery or access;
- ✓ to substitute for the services provided directly by the publisher – for example article aggregation, systematic distribution via e-mail lists or share buttons, posting, indexing or linking by commercial companies for use by customers of such companies.

Internal Institutional Use

Use by the author's institution for classroom teaching at the institution and for internal training purposes (including distribution of copies, paper or electronic, and use in course packs and courseware programs, but not in MOOCs – Massive Open Online Courses) and inclusion of the Article in applications for grant funding. For authors employed by companies, the use by that company for internal training purposes.

Personal Use

Use by an author in the author's classroom teaching (including distribution of copies, paper or electronic) or presentation by an author at a meeting or conference (including distribution of copies to the delegates attending such meeting), distribution of copies (including through e-mail) to known research colleagues for their personal use, use in a subsequent compilation of the author's works, inclusion in a thesis or dissertation, preparation of other derivative works such as extending the Article to book-length form, or otherwise using or re-using portions or excerpts in other works (with full acknowledgment of the original publication of the Article).

Preprint

Author's own write-up of research results and analysis that has not been peer reviewed, nor had any other value added to it by a publisher (such as formatting, copy editing, technical enhancements, and the like). Preprints should not be added to or enhanced in any way in order to appear more like, or to substitute for, the Published Journal Article.

Published Journal Article

The definitive final record of published research that appears or will appear in the journal and embodies all value-adding publisher activities including peer review co-ordination, copy-editing, formatting, (if relevant) pagination, and online enrichment.

Scholarly Sharing

Preprint: Sharing of Preprints by an author on any website or repository at any time. When the Article is accepted, the author is encouraged to include a link to the formal publication.

Accepted Manuscript:

immediately on acceptance: sharing of the Accepted Manuscript by an author:

- ✓ via the author's non-commercial personal homepage or blog
- ✓ via the author's research institute or institutional repository for Internal Institutional Use or as part of an invitation-only research collaboration work-group
- ✓ directly by providing copies to the author's students or to research collaborators for their personal use
- ✓ for private scholarly sharing as part of an invitation-only work group on commercial sites with which the publisher has a hosting agreement

Published Journal Article: the author may share a link to the formal publication. Additionally theses and dissertations which contain embedded Published Journal Articles as part of the formal submission may be hosted publicly by the awarding institution with a link to the formal publication. Any other sharing of Published Journal Articles is by agreement with the publisher only.
